Contents

EDITORIAL

Dr. Biniraj K R

ORIGINAL RESEARCH

1. Isolation and identification of Lactobacillus bacteria from dental caries
Fathima Febim, Devika S Nair, Anagha Vijay, Aparna Karthikeyan, Sandhyalekshmi
2. A comparative study of arterial blood pressure of trained and untrained students before and after exercise: A pilot study
Ajiba Abbas, Akshaya, Aparna P P, Devika V R, Nahla
3. Isolation and identification of Enterococcus faecalis from patients with dental caries
Tanishq, Athul, Shalmiya, Fathima, Sahya
4. The anti-inflammatory effect of Chlorhexidine tooth paste on Gingivitis : A pilot study ✓
Initial V Same, Blesina Raichel Jose, Rose Thomas, Sruthy Sunder, Abhishek S Nair, Kamala Guruvayoorappan
5. Root dentine hypersensitivity following hand Vs ultrasonic instrumentation: A randomized clinical trial
Blesina Raichel Jose, Initial V Same, Rose Thomas, Sruthy Sunder, Abhishek S Nair, Kamala Guruvayoorappan
6. Prevalence of premenstrual syndrome among college students of royal Dental college : A Pilot study
Sufaila K S , C Haneena Salih, Jasna V P, Kamal Nayana V J, Shifna Farzin T, Shameema P
7. A study on signs and symptoms of anaemia by ruling out haematological parameters among college students : A Pilot study
Ashok Achuthan, Anasawara T R, Sreenima Prakash, Binija J M, Gopika K, Aswin Krishna, Gayathri Satish

BASIC RESEARCH

1. Screening of lifestyle disorders based on anthropometric values among college students : A pilot study
Anjana A S, Aparna Karthikeyan, Sangeetha Murukan ,Tanishq P Hari
2. Extraction and separation of Tannins from Centrathurum Anthelminticum seeds.
Suhaisa. M, Fatha N C, Akshakya M S, Nishana Y K, Niya S, Nimisha K R
3. Extraction and separation of phospholipids, glycolipids and PUFA from Centrathurum Anthelminticum seeds.
Heavenly KSM, Shifna SPV, Aleena Tresa S, Fathima Fasna C P, Sanha K V, Fathima Fellah K

4. Extraction, separation and identification of flavonoids from Ocimum Basilicum L.
Kavya K, Layosha L K, Krishnapriya S, Praveena M S, Kavya T K
5. Journey of a tooth to a microscope
Aditya Mohan, Alwin N S, Aboobacker Siddiq, Nabila Abdul Azeez, Safa
6. At the crack of dawn, there is care and cute ; A questionnaire study of awareness on palliative care in dentistry
Teena Thomas, Nourin B, Anamika R Nair, P S Femida Nasrin, Faseela Abdul Kareem, Aayisha Saharish
7. Dentistry in sports
Aswin Krishna, Binija J M, Archana. C

REVIEWS

1. Occlusion in restorative dentistry
Binija J M, Anamika R Nair, Ashok Achuthan, Fahmida Ponneth, Renna Mariyam, Cyndrella Saji
2. Impact of E-cigarette vaping on oral health
Adithyakiran S, Lekshmi Raj, Jasna P M, Shamma Farhath, Shamsa Jabin, Hida K V, Shipra Hameed
3. Infection control in general dental practice
Rose Thomas, Blesina Raichel Jose, Initial V Same, Sruthy Sunder, Abhishek S Nair, Kamala Guruvayoorappan
4. Artificial Intelligence in dentistry
Hafiz, Vyasan, Ananth Krishnan, Karunya
